

Thank you to GGPWCF for the opportunity to judge your 2024 sweepstakes.

I have been active with dogs my entire life. My family raised German Shepherd Dogs and later Rottweilers while my mother trained dogs for police departments and held training classes for the public.

In the early 1990's I decided that I wanted to find a big dog attitude in a smaller package. That search led me to my first Pembroke Welsh Corgi who later became Caleb CDX, CGC. While showing Caleb in obedience at Pembroke specialties I became interested in showing in conformation. I was fortunate to obtain my first show Pembroke, Trengate Lindfox Josephine, from Sylvia Nolan, DVM. "Josie", who when bred to AM/CAN CH Stonecroft Second Sight, produced my first homebred champion, CH Lindfox First Sight "Cooper".

Over the years I have owned, co-owned, and/or bred a number of outstanding Pembrokes thanks to the guidance and support of the good friends I have made during my involvement with this charming breed. I look forward to what the future may hold.

Nissa Lindstrom
Lindfox Pembroke Welsh Corgis
