## The Welsh Corgi League

The Welsh Corgi League is the United Kingdom's  
Pembroke Welsh Corgi Club founded in 1938. The  
League reported to GGPWCF that the 2019 winner of  
GGPWCF's Puppy Plate at their Championship  
Show was Craigycor Top Model At Ceranda. Thank  
you Jackie Bousquet, Puppy Plate Chair, for sharing  
this information.

📍 Special Shout out to Bill and Patty Lyga and their  
corgi Jenny. They are the wonderful couple that pass  
out the pre-paid lunches at our Specialty. They  
personally sponsor the included water and sodas.  
They also support the Obedience and Rally Trials as  
spectators. Katie and I are so happy to have met  
them at our first Specialty many moons ago when we  
didn't have a corgi. Bill and Patty have been so kind  
to answer our questions. They have been long time  
members, but generally don't make the meetings as  
they are located in San Jose. Jason and Katie Hom

## *Regular Classes Critique*

*Thank you to the Golden Gate PWCC for honoring me with this 60<sup>th</sup> Anniversary assignment. I truly enjoyed every second with your corgis and very polite breeders, handlers and club members. Golden Gate has always been one of my favorite Specialties and this one certainly did not disappoint. It is always interesting to see the differences in Corgis from coast to coast. The banquet was delightful and the judges gift is one I will cherish. To Tim and Tomm, what a great time they showed me, memories forever, thank you so much. A pleasure to judge your very nice corgis, thank you all for your good sportsmanship, you made my day enjoyable and a true pleasure.*

## *Sweepstake Classes Critique*

*Thank you for inviting me to judge sweepstakes at the 2019 Golden Gate Specialty. I can't thank the show committee enough for the hospitality shown. Specifically Kathleen and Vernon Jettlund, Tim Mathieson, Tomm Dedini, Laura Craig, Ann Marie Buonanno, and Debra Castelanelli.*

*Congratulations on putting on such a well run show. I will treasure the hand painted wallet with my*

*beloved Heath. Over all the entry was outstanding – dogs were well presented and groomed. Thank you so much to the exhibitors who brought their puppies and veterans to me. It was an absolute pleasure to judge despite the less than perfect weather!*

*Juliana du Pree (Curig)*

**PUPPY DOGS 6 TO 9 MONTHS** (1 entered, 0 absent)

**1. DOUGAL PEMDRAGONS MAGIC CARPET RIDE** Tri boy that was in the typical stages of puppyhood. Nice outline and length of neck. Head proportions were okay, but inadequate chiselling under the eye and a smaller ear impacted his overall look. Good feet and moderate bone. Was standing and moving high in the rear at this stage.

**PUPPY DOGS 9 TO 12 MONTHS** (5 entered, 1 absent)

**1. CARIADH HIGH TEA** Pale red and white boy of lovely type. Won the class on his overall balanced outline and pretty head with a medium eye and well set ears. Good reach of neck flowing into a well laid back shoulder, though needs a bit longer upper arm. Lovely bone and feet. Well angulated rear. A shorter sternum & longer loin showed in a slight roach of the topline on the move.

**2. CARIADH TEA PARTY AT COVENTRY** Similar in type to his littermate above though a shorter cast dog. His muzzle was a bit snipey and backskull needs to broaden to complete the picture. Good under jaw. Nice moving from the side, though a shorter sternum showed through in a roach over the loin. Nice bone and good feet.

**3. BRNAYR THROUGH THE LOOKING GLASS** A pale red boy that was very loose and puppyish. All the right angles were there, they just need the time to come together. Good reach of neck and a nice shoulder with rear angles to match. Correct head with lovely dark eyes, good pigment and large ears. His feet were not as tight as I would have liked.

**4. BRNAYR LIVING THE LIFE OF REILLY** Another paler red boy. Overall lovely outline standing with a nice reach of neck and good layback. He was short in the upper arm which set his front a bit far forward and was over angulated in the rear. Lovely head with good proportions, dark eye, pigment and ear set.

**12 TO 15 MONTH DOGS** (2 entered, 0 absent)

*This was a tough class! Two VERY different types but both with a lot to offer. The order could easily have switched on a different day.*

**1. TALLYRAND & TRIAD LOVE HAS A NAME** A large capped tri boy with lots of scope. Correct outline with balanced correct angles fore and aft. Good shoulder with correct length of upper arm. His head correctly proportioned with nice dark eyes, good pigment, and correctly sized well set ears. His muzzle was lippy and made his head appear heavier than it was. Good bone and correct feet. An easy mover from the side though his rear tended to barrel hock just bit going away. Lovely reach in front. A pleasure to award him **BEST OF OPPOSITE SEX IN SWEEPSTAKES.**

**2. GRACELAND CATTAL'S PHANTOM DANCER AT CAAMORA** A moderate black headed tri boy that was a bit shorter cast than the one above. Pretty head with a dark eye, good pigment, correct proportions and ear set. Well angulated rear. Good shoulder layback though a longer upper arm would have balanced his front out. Nice bone and good feet. Moderate moving.

**15 TO 18 MONTH DOGS** (1 entered, 0 absent)

**1. DRIFAN GRAND THEFT AUTO** Another typey BHT boy who had a nice outline standing. Pretty head, good eye and pigment. Nice tight lip and good under jaw. Good bone for his size. Moved well in all directions, though lost his topline a little.

**PUPPY BITCHES 9 to 12 MONTHS** (6 entered, 0 absent)

**1. TRENGATE LINDFOX SILVER STYLE** This rich red girl was giving her handler a run for her money today. Lovely balanced outline with lots of shoulder and rear angles, though was standing high in the rear at this stage. Her good reach of neck went into properly placed shoulders. Good bone and nice feet. Her head was okay, though proportions and planes were just a little off. Good eye colour, pigment and ear.

**2. CARIADH JUST MY CUP OF TEA** Lovely RHT girl that was just a bit more immature than the one above. Pretty outline with lots of neck and a good length of body. Nice head with planes and ear set. Needs a bit more underjaw to complete the picture. I found her a bit unbalanced with a more forward set front and just slightly over angulated rear. Moved well from the side.

**3. TROMBA'S HONEY GANACHE** Red and white girl that made a lovely picture standing. Good reach of neck and a nice layback. Her lay on of shoulder was a bit wide causing her to elbow out at times. Good turn of stifle. Nice topline with good ribbing. Nice bone, but needs a tighter foot.

**4. BRNAYR WIND IN THE WILLOWS** Pretty red and white girl with a nice outline, topline and reach of neck. Correct head with dark eye and good pigment, nice ear size and set. Would like a bit more upper arm and a bit less rear angulation to make her more balanced. Nice moving from the side.

**12 TO 15 MONTH BITCHES** (3 entered, 0 absent)

**1. FAERIE GLEN DILYS** Very feminine red girl with a lovely outline. She was beautifully balanced with correct angulation front and back. Her well placed shoulders flowed into a level topline. Nice bone and feet for her size. Good underline and ribbing. Her head was a hair refined and I would have like just a bit more underjaw. She floated around the ring with lovely reach, drive, and a quiet topline. Pleased to award her **BEST IN SWEEPSTAKES**

**2. FAERIE GLEN CARYS** Possessed many of the same qualities of her litter sister above though was just a little smaller and a hair shorter in body. A lovely quiet mover. Would prefer a slightly larger ear.

**3. COVENTRY ALL RISE TO PENLIATH** A pretty pale red and white with a nice reach of neck and length of body. Pretty head, but would have preferred a slightly larger eye and less cheek. Her shorter upper arm and short sternum affected her topline on the move. Shown in lovely condition. Lovely bone and feet.

**15 TO 18 MONTH BITCHES** (4 entered, 2 absent)

**1. PINEMEADE SHAKEN NOT STIRRED** These 2 tricolour littermates were higher set and longer all over. Correctly proportioned head with a medium eye, dark pigment and nice tight lip. Balanced angles fore and aft. Nice ribbing and a solid topline on the move. Balanced and easy moving in all directions. Pushed hard for a top award.

**2. PINEMEADE FALLING FOR YOU** Similar to her sibling above though had a little more under jaw. Balanced angles and easy moving. Had a slightly longer hock which pushed her high in the rear at times.

## *Veteran Sweepstakes*

*It was a pleasure to start my day on such a high note with the Veteran Sweepstakes starting the day off. Juliana du Pree (Curig)*

**VETERAN DOGS 7 TO 10 YEARS** (2 entered, 1 absent)

**1. GChG PENNYSHIRE SOLID ALIBI** An absolutely lovely tri boy. Correct outline and good proportions with a nice reach of neck and balanced angulation. Moderate but balanced moving and held his topline well. I'd prefer a larger ear and a bit less lip to perfect his lovely head. Lovely bone and good feet. **BEST OF OPPOSITE SEX IN VETERAN SWEEPSTAKES.**

**VETERAN DOGS 10 YEARS AND OLDER** (3 entered, 0 absent)

**1. CH. FOXLAIR I'M BRINGIN SEXY BACK** (Ch. Pinemeade English Leather x Foxlair All About Me) Breeder: Shannon Stone & Dana Allen. Owner: Shannon Stone. A larger red boy with a lovely outline. Lovely shoulder, good ribbing and underline. Adequate bone for his size. Correct head proportions though his ear set was just a bit high. Lovely mover.

**2. GCH. TROMBA'S LET'S DO THE TIME WARP** Another larger red boy who had a correct outline and good reach of neck. His shoulder was well laid back though the wider set lay on and shorter upper arm made him move wide in front. Good topline.

**3. CEZANNE'S TOUCHE** A pretty head with correct proportions and planes on this red boy. He was a little shorter than those above, but held his outline well on the move. Correct reach in front, the rear was a bit over angulated which affected his balance.

**VETERAN BITCHES 7 TO 10 YEARS** (1 entered, 0 absent)

**DOGWILD RIGHT ON!** A RHT tri bitch with a lovely outline. Good reach of neck and layback. Pretty head with correct proportions and a dark eye. Correct side gait but was moving close going away.

**VETERAN BITCHES 10 YEARS AND OLDER** (1 entered, 0 absent)

**1. GCH. SANDYSHIRE WHIRLWIND** What a pleasure it was to judge this lovely RHT bitch. She had a correct outline, good reach of neck, and a well set and angulated shoulder with good upper arm. Lovely head with a dark eye and correct ear set. Lots of bone going down to lovely feet. If I had to find fault, I would say she was a bit over angulated in the rear. She floated on the move with a solid topline and balanced reach and drive. A pleasure to award her **BEST IN VETERAN SWEEPSTAKES.**

Nicely balanced tri boy with balanced angulation though could use just a bit more front and rear. He had a heavier head and rounder eye. Won the class on his easy movement. **BEST OF OPPOSITE SEX IN ALTERED DOG COMPETITION**

**2. BRNAYR THEY CALLED ME PRETTY BOY, CGC TKA** (Ch. Nebriowa Zachariah x Brnayr Can You Hear Me Now) Breeder: Ann Marie Buonanno DVM & Vicki Lubarsky. Owner: Katie Cheng & Jason Hom. A finer RHT boy than the one above. He had a lovely outline standing and held his level topline on the move. His head was more refined through correctly proportioned. Moderate moving.

**ALTERED BITCHES** (1 entered, 0 absent)

1. **TROMBA'S EASY SPIRIT** (GCh. Nebriowa Saddleshoes x Tromba's Just Our Secret) Breeder: Ellen & Lawrence Perlson. Owner: Lindsey Pych & Amar Mehta. Pretty outline and type on this red girl. Pretty head, though a better eye set would complete the picture. She had a nicely angulated front and was a bit over angulated in the rear. Good topline standing and moving. **BEST IN ALTERED DOG COMPETITION**

## *My First Specialty — Jan Sheets*

My first specialty was in 1982. I was encouraged by my mentor, Tim Mathiesen, to go to the Golden Gate Specialty. He had often talked about how beautiful the venues were, especially in Carmel Valley, and how much fun the weekend was. I had my first home-bred puppy to show and couldn't have been more excited.

It turned out that the show was not being held in one of the beautiful venues but had been relocated to a school grounds in the San Jose area as sometimes happens with a Specialty. It was between two wings of the school and it was a particularly hot day. The sun was reflecting off of the buildings and the dogs and humans could hardly breathe. I was surprised no one ended up in the ER with heat stroke, especially the judges. Nothing about the venue was conducive to a dog show, but everyone persevered and had a great time. Golden Gate has had a few "misses" over the years with show sites but more often we have had lovely venues and the members all work so hard to make it special and "memorable".

I met Elaine Erganbright of Larklain Kennels and I had a wonderful chat with her. I made the mistake of asking what she thought of my puppy and she was brutally honest, but I learned so much. I also got to meet Pat Curties from Lees kennel in England. I had read so much about her and I admired her from afar.

I was reassured that the GG specialty was a fluke and I should go to the So Cal Specialty. It was usually at a beautiful Ramada Inn with lovely grounds and a great weekend with great people. I convinced my husband to go with me for a little weekend getaway. For those that don't know, my husband is NOT a dog show person. The great people part was spot on. We arrived at a very old and dilapidated motel (I was sure we had the wrong address) on a very busy six lane "road". We had had to take our lives in our hands to cross the road, dodging traffic and pulling the days necessities to get to the park and show ring.

It was again very hot, most of the air conditioners in the rooms didn't work, if there was one at all. From the noises we heard all night, I was convinced the rooms were rented by the hour and not by the night. Dean was wondering if these were my friends what my enemies might be like. Did my "mentor" want me to run for the hills? There were many "memorable" moments that weekend including the first time I saw Ch. Martindale Butter Brickle, before he was a Champion and had his amazing career. We of course survived the weekend, my puppy was best Junior in Sweeps and through it all I was hooked. Needless to say, that was Dean's last Specialty ☺.

Tim became my dearest of friends which is the best treasure of all. I have since traveled to many Specialties across the country with Tim. I have learned some places are lovely and exceed expectations and a few not so lovely. Sometimes the show results are what you hoped for and sometimes not. Sometimes what feels like the worst weekend ever will be the best memory and down the road and we all have a good laugh. The Specialties are competitive and we of course all want to win, but the best part is always spending time with friends, meeting new ones and creating these wonderful memories together. This breed attracts the best people ever! Jan Sheets

### Results for

## Qualifying Pembroke Welsh Corgis (PWC)

---

We had a great April trial this year at the Sonoma County Fairgrounds in Santa Rosa, CA. The weather was perfect and we had a good turnout. Tracy Mazur kept our trial running with two rings. This trial offered Pembroke Welsh Corgis High in Trial for Master, Excellent, Open and Novice levels. Our winners this year were: Terry Tonjes and Caamora Shamquin I'm the Talk of the Nation (Porter) at the Master level; Beverly Morgan Lewis and Pembrat's Happy Hooligan of So Cal (Hooligan) at the Open level; and, Felicity Brown and Golden Roses' Tegan (Tegan) at the Novice level. Congratulations to our Corgi winners and to all of our entrants. We hope to see everyone back for our September Trial. Shelley Edwards, Chair.

## *New Dog Speed Rating System Called Breed Power 10*

By Bad Dog Agility ([www.baddogagility.com](http://www.baddogagility.com))

---

**What is the Breed Power 10?** The Breed Power 10 is a group of the top 10 dogs in each breed at each *height* in agility ranked by PowerScore. The Breed Power 10 recognizes the fastest dogs in our sport by using average yards per second, rather than double qualifying (QQ) runs or points, as AKC does. The Breed Power 10 does not take into consideration qualifying rate or attendance at the AKC National Agility Championship.

**What is a PowerScore?** PowerScore is a dog's average jumpers with weaves (JWW) yards per second plus two times their average standard (STD) yards per second. This formula provides a single yards per second-based number that takes into account a dog's speed in both JWW and STD. In order for the Powerscore to better reflect the structure of the AKC National Agility Championship (where only 1 round is JWW, while the other 2 rounds have contact obstacles), STD is given more weight in the formula. Also of note, both the challenger and final rounds at the championship are standard courses.

**Who is Ranked?** These rankings are based on a dog's runs within a height. Only Masters run are included in the calculation. A dog must have at least one run in Standard and one run in JWW to be ranked. In an effort to celebrate as many breeds as possible, Breed Power 10 uses at least the minimum number of scores required to generate a power score: one qualifying run in both standard, and jumpers with weaves. The numbers used are those documented and made available by the AKC.

## *From the Editor*

My observation is that Corgi Tracks duplicates the information on the club's webpage and Facebook page. Currently, the webpage includes the specialty and match results, and provides information on upcoming events. I suggest that the club's webpage be used to include the items in Corgi Tracks such as the critiques and results of performance events. If you agree or disagree, please let a board member, or me, know.

I was disappointed in the lack of assistance received from members chairing events. By that I mean, information about the event and the results were not provided to me or not provided in a timely manner. This causes publication delays. It also indicates to me that Corgi Tracks is no longer needed.

The next issue will be the Christmas issue. It should feature the results of the Agility Trial, Herding Instinct Test, Herding Test, Supported Entry and Corgi Fair. It would be great to include recognition of club members that assist with the event(s) as well as articles about your first club event experience. Remember, it's up to you to send information as I can only add what I receive.
