

## **Biography of international all-breeds judge**

**Mrs Valerie Joan Hutton**

**Bojojamile Pembroke Welsh Corgis, VIC  
Australia**

Mrs Valerie Joan Hutton and her husband Robert have owned, bred and exhibited Pembroke Welsh Corgis under the Bojojamile Prefix for the past 52 years.

Throughout those years, Valerie Joan has bred well over one hundred Champions that reside in various countries around the world, including many Supremes, Grands and FCI Champions. Further accolades include 60 Best in Specialty Show wins, as well as 3 BIS and 5 RUBIS at the Australian Welsh Corgi National Specialties and continues to successfully exhibit and produce top quality stock worldwide, a journey of which she is immensely proud.

Valerie Joan bred her first “natural bobtail” (nbt) litter from selected breeding lines shortly after the tail docking ban in Australia in late 2004. This was achieved with thanks to a strong working relationship with the Wilberg family of Kennel Siggens in Norway.

Valerie Joan and the Bojojamile prefix is well-known for consistently producing a number of outstanding quality NBT Champion Pembroke Welsh Corgi, noted with particular pride natural bobtails 'Scarlett' *CIB Ch, Nord UCH (Nor Sw Den), Fi UCH, NV-17-18 Nordv -17-18 and, Aust Ch. Bojojamile Behind the News (nbt)*, whose titles say it all.

Also worthy of mention is NBT boy 'Harvey', *Aust & Rus Ch Bojojamile Been Worth the Wait (imp Aust)*, exported to Moscow, Russia 10 years ago. Harvey has been producing top quality bobtails with progeny in many countries around the world and in return, thanks to Alina Semenova, Harvey's daughter “Yumi” *Aust Ch & Rus Junior Ch Linnvud Supernova at Bojojamile (Imp BGR)* born in Russia, came to live at Bojojamile in 2023.

With such an appreciation for exhibiting and breeding, Valerie Joan attained her ANKC Championship judging licence for Welsh Corgi Cardigans and Pembrokes in April of 1988 and since then, has proudly accepted appointments to judge these breeds in many countries including twice in England, twice in Russia, the National Specialty in Canada as well as many Club Specialties in the USA.

In 2013, Valerie Joan accomplished her dream of becoming a Dogs Australia, AKC and FCI international All Breeds Judge. The wealth of knowledge gained through years of judging such a wide variety of breeds has been invaluable and continues to judge consistently throughout Australia, with several overseas appointments yearly. To be invited to judge the Golden Gate PWC Fanciers Specialty is indeed a very special honour, of which Valerie Joan looks forward to with immense pride.
