

GOLDEN GATE PEMBROKE WELSH CORGI FANCIERS, INC.

Dear Pembroke Welsh Corgi Enthusiast,

Thank you for your interest in adopting a Pembroke Welsh Corgi through Golden Gate Pembroke Welsh Corgi Fanciers, Inc.

Although Corgis don't often need to find new homes through rescue, our organization feels a responsibility to help these "needy" Corgis.

You, as the potential adopter, should read the enclosed information thoroughly. If a Corgi seems to be the breed for you, complete and return the enclosed/attached adoption application. You may be asked to drive some distance to meet a rescue Corgi. Due to the many expenses involved in rescuing Corgis, we do ask for a donation to help defray costs. Remember, many times there are no Corgis available for adoption, so a long wait may be necessary.

More information on the Pembroke Welsh Corgi can be found at the *Pembroke Welsh Corgi Club of America's* website at [www.pembrokecorgi.org](http://www.pembrokecorgi.org)

Please be patient with us. We are a non-profit club with an all-volunteer network of members. One of our goals is to make sure that Corgis are placed in appropriate homes, and this can be a time consuming and difficult endeavor. We hope you can help.

Sincerely,

Golden Gate Pembroke Welsh Corgi Fanciers, Inc.

We welcome and appreciate your interest in providing a good home for a Pembroke. Please understand that your completion of this application does not guarantee that a suitable Pembroke will be found for you. Please also understand that applicants are not placed on a waiting list in order of the dates of their applications, but rather that in each case of selecting a home for a Pembroke all applications will be considered equally in order to attempt to select the most suitable home for that Pembroke in light of its health, personality, behavior and other factors and to attempt to select the most suitable Pembroke for that home in light of the answers given above.

In the event that a Pembroke were to be considered for adoption by you, there would be a written agreement between you and GGPWCF, Inc, and GGPWCF, Inc. might visit your home. In this agreement, among other things, you would make certain agreements regarding your care of the Pembroke, and you would agree that the Pembroke would be returned to the Club if you do not abide by these agreements or if you no longer want to or are able to care for the Pembroke.

Please understand that, while GGPWCF, Inc will have had the Pembroke examined by a veterinarian, GGPWCF, Inc. cannot make any guarantees regarding the health or physical condition of the Pembroke, and that all expenses (including medical expenses) relating to the Pembroke would be your responsibility. The Pembroke would be spayed or neutered before being adopted by you.

Due to the many expenses that are often involved in rescuing Corgis, we do ask for a donation to help defray expenses relating to GGPWCF, Inc.'s taking care of the Pembroke prior to the adoption. GGPWCF, Inc. would appreciate it if you would notify us if, after you complete the Application for Adoption and are waiting for a response, you get another dog or decide that you no longer wish to adopt a Pembroke.
